Discovery Day Schedule

We're so glad you're considering us as one of your university choices. Come along to a tailor made Discovery Day and delve deeper into your chosen subject(s), to experience what it's really like to be a student here at the University of Northampton. Here's what we've got planned for your day:

BEng (Hons) Mechanical Engineering

The hands-on session gives you the exciting experience of life as an engineering student. We start with a brief introductory talk during which you will find out about our courses, our student led activities such as Formula Student and our industry links.

This will be followed by an interactive laboratory session where you will be able to observe and join in where appropriate with a range of experiments covering areas like thermo-dynamics, materials testing, electronics and others.

This session includes a tour of our laboratory facilities during which you are accompanied by some of the team who will be pleased to answer any questions.

Your schedule for the day

09:00 – 10:30	**Registration**
10:00 – 10:30	Look at your future - what the new Waterside campus means for you (optional)
10:30 – 12:00	**Interactive Subject Session**
12:00 – 13:00	**Networking Lunch with tutors and potential classmates (optional)**
12:00 – 12:30	Look at your future - what the new Waterside campus means for you (optional)
12:30 – 15:30	Campus tours, student services information (optional)

We hope to see you soon but if you have any questions in the meantime please contact study@northampton.ac.uk
