Discovery Day Schedule

We're so glad you're considering us as one of your university choices. Come along to a tailor made Discovery Day and delve deeper into your chosen subject(s), to experience what it's really like to be a student here at the University of Northampton. Here's what we've got planned for your day:

Child Nursing

You will have a interactive session and meet our experienced staff and visit the skills and Competence Test Centre (CTC) Labs which are used as a part of your course.

After this, you will take part in our interactive, Construct-a-nurse activity. Here you will work alongside our excellent teaching staff, to deliberate what you think makes the perfect child nurse, and learn how the University of Northampton can help enable you to becoming exactly that.

09:00 – 10:30	**Registration**
