Study Abroad at the University of Northampton.

Study in the UK, explore British culture and enhance your career prospects with our Study Abroad courses.

You will be taught alongside our current UK and international students, meaning you'll be fully embedded in UK university culture.

Each of the modules included in our Study Abroad courses have their own specific aims and learning outcomes, allowing you to apply the skills and knowledge you develop with us to your degree at your home university.

Why study abroad at the University of Northampton?

- 80% of exchange students have gone on to achieve 2:1 or above after returning home
- You will be registered as a UON student and will have full access to all of our learning facilities
- You may be eligible for scholarships (discounted tuition fee) if you choose to progress on to top-up courses and postgraduate courses at UON.

How does it work?

Step 1: Choose the length of your study:

One semester
September - December

One academic year

“ During the four-month exchange in the UK, I have not only broadened my horizons, but I have enriched my professional knowledge. I have also made many good friends from around the world. I would like to thank the University of Northampton and Shanghai Business School for providing me with the opportunity to visit and experience life in the UK. In these past four months, I have participated in various activities which helped me to integrate into the local life. My trip to the UK has left me with incredible memories. ”
