Studying Social Care

Why study at Northampton?

• Learning in a supportive environment
• Variety of Assessment methods
• Relevant work experience that prepares you for the workplace.

*Modules available subject to staffing and student numbers
Entry requirements

These vary for each course and details can be found on the website

For the BSc Applied Social Care and Health: A typical offer is A level grades of CCC and one year's experience of working in a Social Care and Health setting (paid or voluntary) GCSEs including English and Maths at Grade C/4

For the Foundation Degree in Health and Social Care: A typical offer is BTEC qualifications of MPP, or A level grades of DEE. GCSE (or equivalent) English at grade C or above

BA in Social Care and Community Practice: A typical offer is A level grades of BCC GCSE (or equivalent) English at grade C or above

Some courses will require an enhanced Disclosure and Barring Service check and Occupational Health Clearance e.g. Foundation Degree

It is expected that students will demonstrate prior interest and engagement with health and/or social care in either a voluntary, personal or working capacity.

Teaching methods include

- Small group lectures
- Workshops
- Independent and group study
- One-to-one supervisions
Additional Costs

Additional Costs:
Students are not required to purchase books – the library is available for students.

Therefore the additional costs (over and above tuition fees) are:
- Pair of flat black shoes for placement
- Travel to and from placement
- Paper and pens / pencils
- Memory stick
- Accommodation if required.
Learning & Teaching at Waterside.

➢ You will study in small interactive group sessions, enhanced by the latest developments in technology.

➢ Our Learning Hub, the heart of Waterside Campus combines resources, staff and learning spaces that would traditionally be separate.

➢ Waterside has been designed to give you a personalised learning experience, excellent opportunities to develop your academic experience and life skills.

* Valid for 2021/22 entry. For 2020/21 academic year, please refer to our website for the latest information: https://www.northampton.ac.uk/about-us/situation-updates/
STUDY ANYWHERE

Every full-time undergraduate student starting their first year with us in 2020 will get their own laptop to keep as part of their fee – meaning you can study where and when you like.
NO EXTRA COST

All sports clubs and societies are free to join at Northampton and every essential course text book is available via the library, meaning you won’t have to purchase copies.
THE FUTURE NEEDS PEOPLE LIKE YOU

If you’ve not landed a job 12 months after graduating, but completed a Changemaker programme alongside your studies then we’ll find you a paid, six-month internship as part of our Northampton Employment Promise.
