Please note: If the name on your certificate differs from the name you applied in, you will need to provide evidence of your name change (for example, a marriage certificate/deed poll etc).

If you have lost your certificates it is advisable to request replacement certificates as soon as possible from the examination board.

If you fail to provide your documents you will not be eligible to enrol, so please forward them as soon as possible.

If you have problems with any of the above please contact us at admissions2021@northampton.ac.uk or telephone 0300 303 2772.
