

UoN University of Northampton

**A guide for
students from
India, Nepal and
Sri Lanka.**

HOW IS UON DIFFERENT?

At the University of Northampton, we focus on delivering the things that matter most to international students:

- Innovative teaching in small groups, by accessible and helpful academics, with an industry-focus and practical assignments
- Award-winning support that caters for your academic development, employability preparation and personal wellbeing, followed by lifelong careers support as a UON graduate
- Value-for-money on all fronts. Affordable tuition fees and excellent scholarships. Economical university accommodation and low living costs around Northampton
- A great location, offering the benefits of a purpose-built, town centre campus, served by five international airports, at the heart of the road and rail networks with easy access to major cities including London.

EMPLOYABILITY.

Two-thirds of employers are looking for graduates with relevant work experience*, so UON works harder to make you employment-ready.

- Paid work placements on many undergraduate and Master's programmes**

- Annual Changing Futures Week - a packed agenda of masterclasses, keynote speakers, demonstrations and workshops with leading industry experts

- Overall Winner for Developing Employability†

- Support for the Graduate Route††

- Support for your business start-up idea

- UON Employment Promise††

- Free travel and accommodation on all compulsory study trips

- Free lifetime access to Alumni support to help you in your career

ACCOMMODATION.

Moving overseas is a big step, so it helps if you don't need to worry about where you'll be living. Our Halls of Residence offer all you need to relax, make friends, socialise and study. We take your safety seriously, so all sites have 24-hour security and a dedicated Residential Life Team to support you through any issues you may have.

Value for money

With rents from £82 per week* you could save as much as £2,000 over three years, compared to competitor universities. Accommodation is fully furnished, with all utility bills, personal possessions insurance and University computer network and Wi-Fi access included - so no surprise costs! All that's left for you to pay is for a licence to watch TV if you want one in your own room.

More choice

Many students love the convenience of living on-campus. Our research shows that, taking into account age of accommodation, proximity to campus, cost of least expensive comparable accommodation and ensuite provision, UON offers more affordable accommodation than 70% of our key competitors.**

Whether you want to be on-campus, off-campus, or in the town centre, we have the right option to suit you. What's more, if you choose to live in our off-campus Scholar's Green Student Village, we provide a free weekday bus service to campus. And when it comes to types of room, you're spoilt for choice - with single or twin ensuite rooms (large or small), single or twin studio flats, or shared townhouses.

Private sector accommodation

If you prefer to live in private rented accommodation, our Private Sector Housing Team will provide details of available properties that meet our high safety standards. Regional private sector rents are almost 20% lower than the national average - but remember, you will be responsible for household bills.

*2023-24 rates. Rent may be subject to annual increases. A Key and Damage Deposit is payable when you accept the offer of a room. Please note, dependants cannot live in University-owned accommodation.

**UON internal research, 2023.

Scholar's Green Student Village

TUITION FEES

Fees are charged for each year of your course, payable in GBP. There may be additional charges for optional trips, materials or examinations, depending on your course – please check the relevant course page on our website

*Fees are subject to annual increases and will be published on our website as soon as they are available.

**For indicative purposes only. OANDA rate, October 2023.

*Eligibility criteria apply – for full information, including terms and conditions, visit northampton.ac.uk/scholarships. Only one scholarship may be awarded. Not available to graduates of international partner institutions.

WHAT OUR INTERNATIONAL STUDENTS THINK

“ My first year at UON was during the hard times of the pandemic and lockdown, but I was provided with tremendous support from the University, both financially and mentally. The campus experience really started for me during year two and I'm loving every bit of the new campus - be it the library, finance lab, or the Students' Union. ”

Rahil Babariya

Accounting and Finance
BSc (Hons)
India

“ UON has exceeded all my expectations. I absolutely love the architecture of Waterside Campus - it's calm and peaceful, yet interactive. The professors are inspiring, dedicated experts, with a genuine passion for learning, and the tutors always make time to explain any questions regarding the subject. ”

Sunrita Bhattacharyya

MBA with Placement
India

“ My experience with UON has been absolutely delightful and the services provided to me as an international student have made UON my home in the UK. The lecturers are extremely helpful. UON has made my university life absolutely memorable. ”

Ruhi Agarwal

Advertising & Digital Marketing
BA (Hons)
India

“ I love Waterside Campus! It's a perfect blend of variety of things - be it the green spaces, or the technologically advanced buildings, it's got it all. In addition to that, I feel UON welcomes a diverse group of students which gives an international student like myself an opportunity to meet students from all around the world. ”

Himani Nahta

Advanced Occupational Therapy
Practice MSc
India

OUR COURSE AREAS.

We offer courses in these broad subject areas, each purposely designed to meet the needs of the workplace. All undergraduate and many Master's courses offer an optional 12-month work placement, as well as international and/or domestic study trips. Accreditations, professional body exemptions and professional recognition boost employability, improve promotion prospects and raise your professional status.

For full information on all of our courses visit **northampton.ac.uk/courses**

HOW TO APPLY.

Once you've decided that you would like to study with us, our aim is to make the application process as straightforward as possible. So we can consider your application, you'll need to include the following documentation:

Your education history

Tell us where you studied, what qualifications you already have and include copies of your certificates or transcripts. If you have studies you've not yet completed, include your predicted result, then send us your final results as soon as you have them.

Proof of English language competence

Please check the course-specific requirements on our website.

A Personal Statement

Explain why you would like to study your chosen course and what you plan to do with your qualification.

A reference or letter of recommendation

If you're still studying or have recently completed your studies, this should be from one of your teachers, explaining your academic potential and suitability for the course. If you're in work, this should be from your employer.

Making your application

Depending on how and what you would like to study with us, there are different ways to apply:

- Our **Principal Representatives** and recognised representatives are our preferred method of application and you should take advantage of their services whenever possible.

Contact details can be found on our website:

northampton.ac.uk/international/your-country/south-asia/

- Click '**Apply Now**' on the course page of our website
- Apply direct to us using our **interactive online form**
- Undergraduate courses applications can be made via **ucas.com**

Ask a student

We think UON is the perfect location to study your UK degree, but don't just take it from us, ask our students!

Download the **Unibuddy app** to chat online to UON students who can help answer any questions you may have about studying here.
